

Dynamic Import

```
componentDidMount() {  
  import(/* webpackChunkName: 'vendor' */ 'moment')  
    .then(moment => moment().format('LLLL'))  
    .then(str => console.log(str))  
    .catch(err => console.log('Failed to load moment', err));  
}
```

Server Side Rendering

+

vue-cli

`$npm install vue-cli -g`
